

You should register as a Democrat

Mandy Weaver, Comms Director at WDP, posted [this piece](#) today.

The “lesser of two evils” is still...evil.

—[Mandy Weaver, WDP](#)

Mandy starts one of her paragraphs with that. Here’s how that plays in Johnson County. Even the moderate Republicans here are pro-life, anti-freedom, pro-coal, anti-planet, pro-business, anti-people, pro-christian, anti-government, et cetera.

A lot of people say, they’ll vote Republican until there are good Democratic candidates. That’s almost like saying, I’ll just keep using this heroin until somebody invents a way for me to feel better without it. Since everyone is busy using the same heroin nobody actually gets around to doing any inventing.

So, read Mandy’s piece and join in on being here for good!
