Film Night!

In a time where education is heavily on everyone's mind, join us for a night of community and fun at the Buffalo Theater for a full screen viewing of the film [The Last Class!]

"Step into the mind, heart, and classroom of a teacher who will change how you see the world, and yourself in it. Watch *The Last Class* film—and get the education you didn't know you needed."

All proceeds of this event directly benefit the [William D. McIntyre Scholarship,] annually awarded to at least two graduating Johnson County high school seniors by the Johnson County Democrats. This is a great opportunity to support your local students!

A suggested donation at the door is $10.

A social hour with complementary appetizers will take place from 6:00 to 7:00 and theater concessions will be available for purchase.

When: Tuesday, November 18th at 7:00pm.

Where: Buffalo Theater, 235 South Main Street, Buffalo WY.
Tickets will be available in advance at Margos Pottery. (1 North Main Street, Buffalo WY.)

We look forward to seeing you there!
